

The Village of Cache Creek operates an outdoor pool on a seasonal basis, and is currently accepting applications for the following 2019 seasonal aquatic positions. Candidates who are in the process of training or recertifying may apply.

The Cache Creek pool runs a full aquatic program and provides an excellent work environment for candidates who are positive and enthusiastic about aquatics and recreation, and who enjoy helping and working with others. Positions are required from May to September 2019.

Resumes should include a list of current qualifications with expiry dates. Candidates should clearly indicate circumstances if they are currently taking courses listed in the qualifications or intend to recertify qualifications. If hired, applicants must successfully pass a criminal record check.
